About the Program

This program will discuss how attorneys can be more effective in trial proceedings. Join our distinguished panel of a Judge and four Trial Attorneys as they provide helpful tips on how to be an effective trial lawyer. Topics for discussion will include:

- Best trial advocacy seen in a court room; feedback that was received from jurors; decorum in the court room by the advocates.
- Methodology to cross examine a medical expert witness; framing a case; jury selection.
- Direct (how not to lead the witness developing a story on direct) and cross examination techniques -chapter method of cross examination.
- Use of demonstrative exhibits in court; damages and closing argument.
- Ethics in the courtroom.

Q & A through Zoom Chat feature.
